Blue Hills Construction Donates Nearly \$20,000 Toward Flooring Upgrades in New Maple Creek Pool Facility

Maple Creek, SK — The Town of Maple Creek is pleased to announce a generous donation from Blue Hills Construction in support of the new community pool project. The local construction company has contributed \$19,999.50 to fund flooring upgrades in the facility's offices and change rooms.

Mayor Michelle McKenzie was on hand to receive the donation on behalf of the Town and expressed sincere gratitude for the contribution.

"This is another exciting step forward for our new pool facility," said Mayor McKenzie. "We are thankful to Blue Hills Construction for their generous support. Investments like this show how committed our local businesses are to helping build a stronger, healthier community."

The upgraded flooring will improve both the durability and functionality of high-traffic areas in the new pool complex, contributing to a clean, safe, and welcoming environment for all users.

The Town of Maple Creek continues to work with community partners, residents, and businesses to bring the new pool project to life, ensuring it meets the highest standards and serves the town for years to come.

For more information about the Maple Creek pool project or opportunities to support it, please contact Town Office at 306-662-2244 or ea@maplecreek.ca
