RE: Support The Saskatchewan 4-H Foundation

Dear Town of Maple Creek,

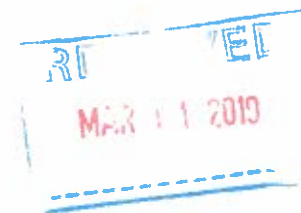

According to a recent study done by Tufts University, 4-H'ers are **four** times more likely to contribute to their communities and **two** times more likely to be civically active than non-4-H peers. As an organization dedicated to positive youth development, 4-H Saskatchewan is continually helping to create community-minded leaders for tomorrow. These are the youth who will be sitting on boards and councils, serving their communities, speaking up and taking action about important issues.

For more than 100 years 4-H has been a prominent organization in rural Saskatchewan. The Saskatchewan 4-H Foundation is dedicated to the longevity of 4-H in Saskatchewan in order to continue to build stand-out youth for many years to come. We are asking rural municipalities to help with this mission to preserve 4-H in Saskatchewan by providing a cash **donation to the Saskatchewan 4-H Foundation**. Attached you will find a donation envelope with options for where you would like to see your donation go.

The youth involved in 4-H today, will be the leaders of your community tomorrow. With over 3,000 youth members serving 409 communities, the time is now to **invest in the future of our youth** by donating to the Saskatchewan 4-H Foundation, which will help build strong, confident, and sound-minded future leaders for our communities.

Yours in 4-H,

Shelby Corey
Development Officer
